EXAMINATION

Semester 1, 2017

SWEN90016 Software Processes and Management

Exam Duration: 2 hours

Reading Time: 15 minutes

This paper has 7 pages.

Total marks for this paper: 100

Authorised materials:
Students may NOT bring any written material into the room.
Students may NOT bring calculators into the room.

Instructions to Invigilators:
Each student should initially receive a script book for the answers.
Students are NOT permitted to keep the exam paper after the examination.

Instructions to Students:

- Attempt *all* questions.

- Answer questions only on the lined pages in a script book. The blank pages can be used for rough working.

- Start your answer to each question on a new page.

- Be sure to clearly number your answers.

The exam consists of 12 questions. The number of marks for each question is shown at the start of the question and also roughly indicates how much time should be spent on each question; that is, 1 mark for 1 minute. This leaves 20 minutes at the end to review your answers. Remember that your justification for an answer is important in answering questions BUT also be as concise as possible with your answers.
Bullet point form is acceptable for more descriptive answers.

This paper will NOT be reproduced and lodged with the Baillieu Library.
